I’m on board. Now what?

Here are some simple things you can do to participate in the vision for West Congregational Church.

Meet regularly with a spiritual friend or prayer partner from West Church and discuss your answers to the following questions with one another:

1. How has God used you to show His grace or welcome to someone lately?
2. In what ways have you experienced Jesus in worship recently?
3. How are you experiencing Jesus in your relationships with other believers?
4. In what ways are you engaging others in service?
5. What next step is Jesus inviting you to explore with Him?
6. How are you investing in your relationships with non-Christians? Where do you see God at work in these relationships, and how can you join Him there?

Pray with one another based on your responses to these questions.

By meeting with another believer regularly for these purposes you will be living out the vision of West Congregational Church.

Yes, it’s that simple!
